Winter is here and the ponds are freezing over. Or are they? While we have not been able to locate statistics on how many people fall through the ice each year, we have learned that approximately 235 people are killed each year as a result of falling through ice. The ponds in our village have aeration devices that prevent ice from forming in the middle. While the ice on the edges of the ponds may seem thick enough to handle the weight of a person, the ice does get thinner the farther out one goes. The police department has already asked children to stay off of the ice on ponds in the village. Please help us to insure a safe winter and make sure our children stay off the ice.

Thank you.

Seasonal Advice from the Village of Ashville Service & Police Department

While the weather has been mild, we are preparing the village for winter. The goal of the service department is to maintain the safe flow of traffic. The crews work around the clock as needed for snow plowing and salt application. The snowplows will clean the streets from curb to curb. You can help the service department during sleet, hail, ice, and snow removal. This can only be done if cars are not parked along the curb. Please remove car (s) to an area that has been plowed. They can be returned once plowed.

Main and secondary roads are given first priority for plowing and salting to

assure emergency accessibility and to ease traffic congestion. Residential streets are plowed soon afterwards.

Primary Streets = Main, Long, Station, Circleville Ave., & SR 752

Secondary Streets = Jefferson, Miller, Scioto, Cromley, East, Powell, Randolph, Walnut, Plum and Park.

All Remaining Streets in Ashville

Snow Parking Ban - Parking is prohibited in Village Business District when snow has accumulated to a depth of two (2) inches. Signs are posted in these designated areas.

Property owners are responsible for snow and ice removal from sidewalks in front of their property. Depositing of snow or ice onto any public street or sidewalk is prohibited. Snow must be kept on the property it falls. Snow from your driveway may not be taken across the street. Also, please keep fire hydrants and storm sewer drains clear.

If you need the Service Department, call 983-6367 and ask for Dave Ballard. He is our Superintendent of Services and he will return your call. (We would like to call your attention to pot holes. If you happen to see them, please call 983-6367).

Police Beat

School is back in session and children will be walking to school during the morning and afternoon. Please slow down and help keep them safe. Remember, school zones are 20 mph zones and are in effect anytime that children are likely to be going to or leaving the schools. Some schools are marked with signs and flashing lights. These lights are not required by law and are there as a courtesy and a reminder to drivers to slow down. We would also like to remind parents that a safety review is an important preparation for children who are heading back to school. As your young children prepare for school, don't send them out the door without reviewing the following safety tips:

SAFETY TIPS FOR PEDESTRIANS:

- Follow the rules of the road & obey all traffic signals & signs.
- Plan the safest route to school.
- Walk with a parent, friend, neighbor, brother, or sister.
- Always look both ways before crossing the street.

- Cross at intersections & at crosswalks.
- Walk against traffic if the street is without sidewalks.
- Don't talk to or accept rides from strangers.

SAFETY TIPS FOR BICYCLISTS:

- Follow the rules of the road & obey all traffic laws. Remember: the rules of the road for cyclists are the same as for motorists.
- Think ahead. Ride defensively. Anticipate drivers' actions. Establish eye contact.
- Be visible. Ride clear of the curb. Wear bright clothing.
- Ride in a straight line. Be consistent in your riding. Always look and signal prior to turning. Stay at least a car door length away from parked cars.
- Use bike paths when available.
- Always ride with the flow of traffic. Motorists aren't looking for bicyclists on the opposite side of the road.
- Yield the right-of-way to pedestrians.

August 2013

- Keep at least one hand on the handlebars at all times.
- Do not ride with headphones, as you cannot hear traffic, trains, or other warning signs.

Be smart. Always wear a proper fitting helmet in good condition.

A safety review for us the Drivers - Follow the rules of the road:

- Slow down in and around school zones, cross walks, and high traffic areas near schools.
- Be on the lookout for children traveling to and from school.
- Exercise caution around buses transporting children to school.
- Expect the unexpected. Children on bicycles and on foot are often unpredictable in their actions.

Also, if you see anyone that looks suspicious around the schools or in areas where children walk to and from school, do not hesitate to report it. (Dispatch #740-474-2176). Please help us keep our children safe.

Thank You

Chief Clark

Do you know where your children are after you go to sleep? The Village of Ashville has a curfew ordinance for persons under the age of eighteen years. This ordinance is in place to help prevent property crimes such as vandalism, criminal damaging, and theft.

The ordinance also helps protect children from people who may try to take advantage of a child, who is violating the curfew, by assaulting, sexually assaulting, or abducting the child.

Please make sure you know where your children are, for everyone's safety, especially theirs.

For information on missing and exploited children, visit the National Center for Missing and Exploited Children's website at www.missingkids.com.

537.19 CURFEW.

(a) No minor under the age of eighteen years shall be outside their residence and/or property between the hours of 12:00 a.m. and 5:00 a.m. the following day unless accompanied by their parent, guardian or other adult person having the care and custody of the minor, or when the minor is on an emergency errand or legitimate business directed by his parent, guardian or other adult person having the care and custody of the minor.

Sincerely,

Chief Clark

Did you know?

Chief Clark

The law indicates that no person shall open the door of a vehicle on the side available to moving traffic unless, and until it is reasonably safe to do so, and can be done without interfering with the movement of other traffic. Nor shall any person leave a door open on the side of a vehicle available to moving traffic for a period of time longer than necessary to load or unload passengers. Therefore it is wise to use caution when parked on the street and opening your driver's side car doors to avoid accidents resulting in property damage or personal injury.

Police Beat 03-2013 "The Story of Curfew"

The first curfew laws came from William the Conqueror, King of England from 1066-1087. His edict required that people douse their candlelights and fires by eight o'clock. Curfew may have come from the French phrase "*couvre feu*," which translates to "cover fire". Now that we are done with the history, today, "curfew" is the establishment of laws to regulate the time at which people should be off the public streets. They can be used to restrict the operating hours of businesses. Since curfew laws are not outlined in the Federal Constitution, they are regulated by local governments and can vary widely by state, county, or municipality.

There are three main types of curfew laws - emergency, business, and juvenile. In this article we will deal with "Juvenile Curfew Laws". Set by state and local governments, juvenile curfew laws are intended to restrict the hours during which minors are allowed to be out in public. The Village of Ashville Curfew is regulated by Ordinance 537.19. After the designated time, anyone under 18 years of age from 12:00 am and 5:00 am is prohibited from being outside their residence. The purpose of juvenile curfew laws is to prevent criminal activity and protect the health and welfare of minors.

Instances in which juvenile curfew laws are waived:

- ◆ Accompanied by a parent, guardian, or designated custodian of the minor.
- ◆ On their way to or from their place of employment
- ◆ Attending a religious or school-sanctioned event
- ◆ Experiencing an emergency
- ◆ Performing a duty as instructed by an authorized adult

If a minor is in violation of curfew law, some common repercussions include:

- ◆ Monetary fees
- ◆ Revoking of driving privileges
- ◆ Mandatory community service
- ◆ Confinement to a juvenile detention center (usually for repeat offenders)

The Ashville Ordinance indicates a violation of this section means a person is guilty of a minor misdemeanor. More about this ordinance can be found at:

Police Beat 04-2013

Pursuant to Ohio Revised Code Sections 4511.204 and 4511.205, texting while driving is illegal in the State of Ohio.

According to the law, if a driver is under the age of 18 it is illegal to use any mobile communications device while driving. This means no texting, e-mailing, cell phone, video games, iPad/tablet or handheld GPS use while driving, even while sitting at a traffic light or in a traffic jam. Juvenile drivers face a \$150.00 fine and a 60 day suspension on a first offense and a \$300.00 fine and 1 year suspension on the second. For juveniles, this is a primary offense, which means law enforcement can stop a juvenile driver any time if the use of a mobile communications device is witnessed.

For adult drivers, texting and sending or reading e-mails is illegal. Adult drivers will face a \$150.00 fine for violation of the texting law. For adults, this is a secondary offense, which means law enforcement must have other probable cause to make a traffic stop (similar to a seat belt offense).

Exceptions to this law are pre-programmed GPS and emergency calls to police, fire, and EMS services.

More information on this and other law enforcement topics can be found at our website, www.ashvilleohio.gov, and go to "Village Departments" "Police Department".

Those 9 are pictured with Dave Hannah representing the UWPC. The students are: Bree Corder, Ally Hardin, Jackie Huff, Trey Merrill, and Katherine Miller

from Logan Elm; Kelsey Kohler from Teays Valley; Alex Sartin from Williamsport; and Tara Williams from Circleville. Thanks to Michele Lanman, executive director for UWPC, for helping bring them to Ashville. One student said, "I think that this is one of the best events for high school students to give back. While service to the county is the reason that we come together, another theme of the day is unity. The students work together with people they might not know and can even bond over the experiences."

Information about approved "Special Event Permits" is now available on our website at ashvilleohio.gov at our Police Department Section under "Information".

The addition of this section is the result of concerns expressed at council meetings. Those concerns were about special events that had been granted a permit. The concerns involved the frequency, length, and loudness of

the event. These permits were also not known to people that resided in the area of the permit. The goal of this section is to communicate what has been approved and the parameters of that approval.

We hope this process will allow businesses or organizations to have special events but in balance to the people that may live in areas that are affected.

Police Beat January 2013

Officer Partlow was promoted to Sergeant at the January 7th Village Council Meeting. Picture is Mayor Wise swearing in Sergeant Partlow. He is a graduate of the Eastland Police Academy, started his policing career with South Bloomfield, and had been an officer in Ashville since June of 2005.

Sincerely,

Chief Clark

Beware of internet scams that pretend they are from the IRS stating that you need to click on a link to avoid penalties or obtain a refund. Delete. If you feel compelled to follow-up contact the IRS directly.

Another scam involves the Better Business Bureau (BBS) and complaints. Again our best advice is to go directly to BBS. Do not open any files.

A good website to go and check these out is www.scamtrends.com

New Monthly Report Format

The new monthly report format allows our Police Report to be reported at the Monthly Village Council meeting in a PowerPoint Presentation. It is converted to a pdf file which will be available on our website at www.ashvilleohio.gov.

Like before it contains the list of daily incidents. The table provides the monthly data you have seen before. Now we include YTD Total, Projection, Average, and Mean.

We also want to be transparent in the cost of operating a Police Department. Therefore you will see the Monthly Police Expense Report. You will see the General Fund Revenue. It is used for a variety of village services including police, refuse, tax, a portion of the park street, etc.,
